OF FILING DATE (37 C.F.R. § 1.10(c))**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants have received a Filing Receipt for the above-identified patent application. It is noted that the indicated Filing Date of August 4, 2003, is incorrect. A copy of the first page of the Filing Receipt is annexed.

The undersigned filed the application papers for the subject case and has personal knowledge of the facts recited hereinbelow.

There is a discrepancy between the filing date accorded by the Office (August 4, 2003) and the true date of deposit (August 5). For the following reasons, Applicants respectfully petition the Commissioner to accord this application a filing date of August 5, 2003.

This application was filed on August 5, 2003, utilizing the Express Mail procedure specified in 37 C.F.R. § 1.10. As required by 37 C.F.R. § 1.10(c)(3), and as proof this application was filed on August 5, 2003, Applicants annex a copy of the Express Mail label (no. EL 707010307 US) for this filing bearing a USPS cancellation stamp dated August 5, 2003.

It is noted that the "Date in" section of this label was erroneously filled in by the Postal Service clerk as "Mo 8 Day 4 Year 03", even though the application papers were deposited on

SSL-DOCS1 1403610v1

**Petition Requesting Correction Of Filing Date  
(37 C.F.R. § 1.10(C))**

August 5, 2003. However, the Postal Service cancellation stamp applied to the Express Mail label bears the correct date, August 5, 2003. This cancellation stamp constitutes an official USPS notation, as specified in 37 C.F.R. 1.10(c).

As required by 37 C.F.R. § 1.10(c)(2), the number of the Express Mail label was placed on the Utility Patent Application Transmittal form (PTO/SB/05), and the Certificate of Mailing by "Express Mail", both itemizing all the components papers of this application and submitted with the application. Copies of these papers are annexed as further proof that this application was filed on August 5, 2003, not August 4.

Correction of the Patent and Trademark Office's records and issuance of a corrected filing date are respectfully requested.

No fees are believed to be owed in connection with this Preliminary Amendment. Nevertheless, the Commissioner is hereby authorized to charge any fees now or hereafter due to Deposit Account No. 19-4709.

In the event that there are any questions, or should additional information be required, please contact Applicants' attorney at the number listed below.

Respectfully submitted,
